

October 18 - 19 - 20, 2019 | TRADEX

Stage Participation Application

Yes, we would like to participate with a Stage Presentation at the West Coast Women's Show at the TRADEX Exhibition Centre on October 18, 19 & 20, 2019. We understand that completion of this application does not guarantee acceptance.

- **FASHION HUB STAGE** For participants who want to present their own **mini-Fashion Shows, Beauty, Hair, Fitness and Cosmetics** demonstrations. NOTE: Exhibitors who participate with their own mini-fashion show on the Fashion Hub Stage may also be invited to participate in our **Main Stage Fashion Show**.
- Although all stage presentations are promoted on the show web site *we strongly recommend that stage participants pre-promote their stage presentation and invite their own clients and customers.* Our experience has been that show visitors choose and pre-plan what they want to see and some presentations draw a full audience while some do not.
- All stages have professional sound systems with both hand held and wireless microphones, staging and signage is provided.
- Participants to supply their own a/v or video equipment if required. (Note: **Health & Wellness Stage** is provided with a projector, screen and laptop for power point presentations)

Please indicate your stage choice:

- FASHION HUB STAGE: Mini-Fashion Shows, Beauty, Hair, Fitness and Cosmetics** demos. The format will be more intimate with shorter 15 to 20 minute presentations with *opportunity for participants to talk about and demo the key benefits of their products and services.* Participants with mini-fashion shows will provide their own music, models and choreography.
- Main Stage** Note: The Main Stage is reserved for Celebrity Speakers, Fitness & Activity Demos or Entertainment Presentations only. Seating for 500+ *Exhibitors who participate with their own mini-fashion show on the **Fashion Hub Stage** may also be invited by our Main Stage Fashion Show Coordinator to have their fashions featured in our **Main Stage Fashion Shows.***
- Chef's Kitchen Stage** Participants will supply their own food, cutlery, plates and utensils. A full presentation kitchen with overhead camera and monitors for the audience, gas range & cooktop, fridge and basic set of pots & pans is provided. Chefs may want to bring their own pots/pans/knives/serving dishes. (**Fraser Health** forms will need to be completed if sampling food or beverages to the show audience.)
- Fabulous For Life Stage (Health & Wellness)** A projector, screen and laptop for power point presentations is supplied.
